Our Lady of the Lake Parishioner

The family is registered in the parish and worships with the parish community on a weekly basis. In order to verify parishioner status, envelopes should be used whenever attending Mass, regardless of contribution. Families who give electronically need to mark the envelopes accordingly and place them in the basket on Sundays. Placing an envelope in the basket is also a visual sign to the children of the importance of giving. The registered family also contributes time and talent to parish and/or archdiocesan activities/ministries.
