As we are all self quarantining due to COVID-19, we want the Our Lady of the Lake students, families, and community to know that we all **miss being together**, sharing our **Love of God**, and **others**. So... June 1st-5th, we have decided to have a virtual Jogathon and continue that OLL enthusiasm and spirit instilled in all of us!

### Run, Jog, or Walk June 1st-5th

The **OLL 3K Course**, located in First Addition, is in the shape of “OLL” between B & D Avenues and 4th & 10th Streets (pictured below). Find **Pete the Panther** along your run and take a selfie (\*you must stay 6 feet from the panther). When you are finished, submit your photo to Mr. Ferguson for possible yearbook entries. If you are unable to run the course, select a 3K course on your own and GO!!!!

### Online Giving

We understand that during this difficult time many are facing hardships and loss, and we would like to be mindful of this. With that in mind, Jogathon donations will be utilized solely as OLL tuition assistance for the 2020-2021 school year. Any contribution you can make will be greatly appreciated!
