

September 11, 2020

Dear First, Second, and Third Grade Families,

I hope you are in a safe situation with your families and loved ones. I am praying for all of you.

Due to poor air quality, we will postpone in-person learning until Tuesday, September 15th.

You will receive a zoom link from Mrs. Brown, Mrs. Eisner, or Ms. Thomas sometime today. The teachers are looking forward to zooming with their cohorts on Monday. Your students might get a surprise visit from Mr. Gregor or me.

Ms. Thomas is our new third grade teacher and I will send another message shortly introducing her to our community. Ms. Thomas is full of energy. Ms. Thomas has only been to OLL physically for three short hours. She is a trooper and we are lucky to have her on our team!

Please hang in there and stay safe and healthy.

God Bless,

Corrine Buich

Principal
